

# LED LIGHT FLAT TYPE LINER 30W/12V

LINER POOL/POLYESTER POOL

Technical Datasheet

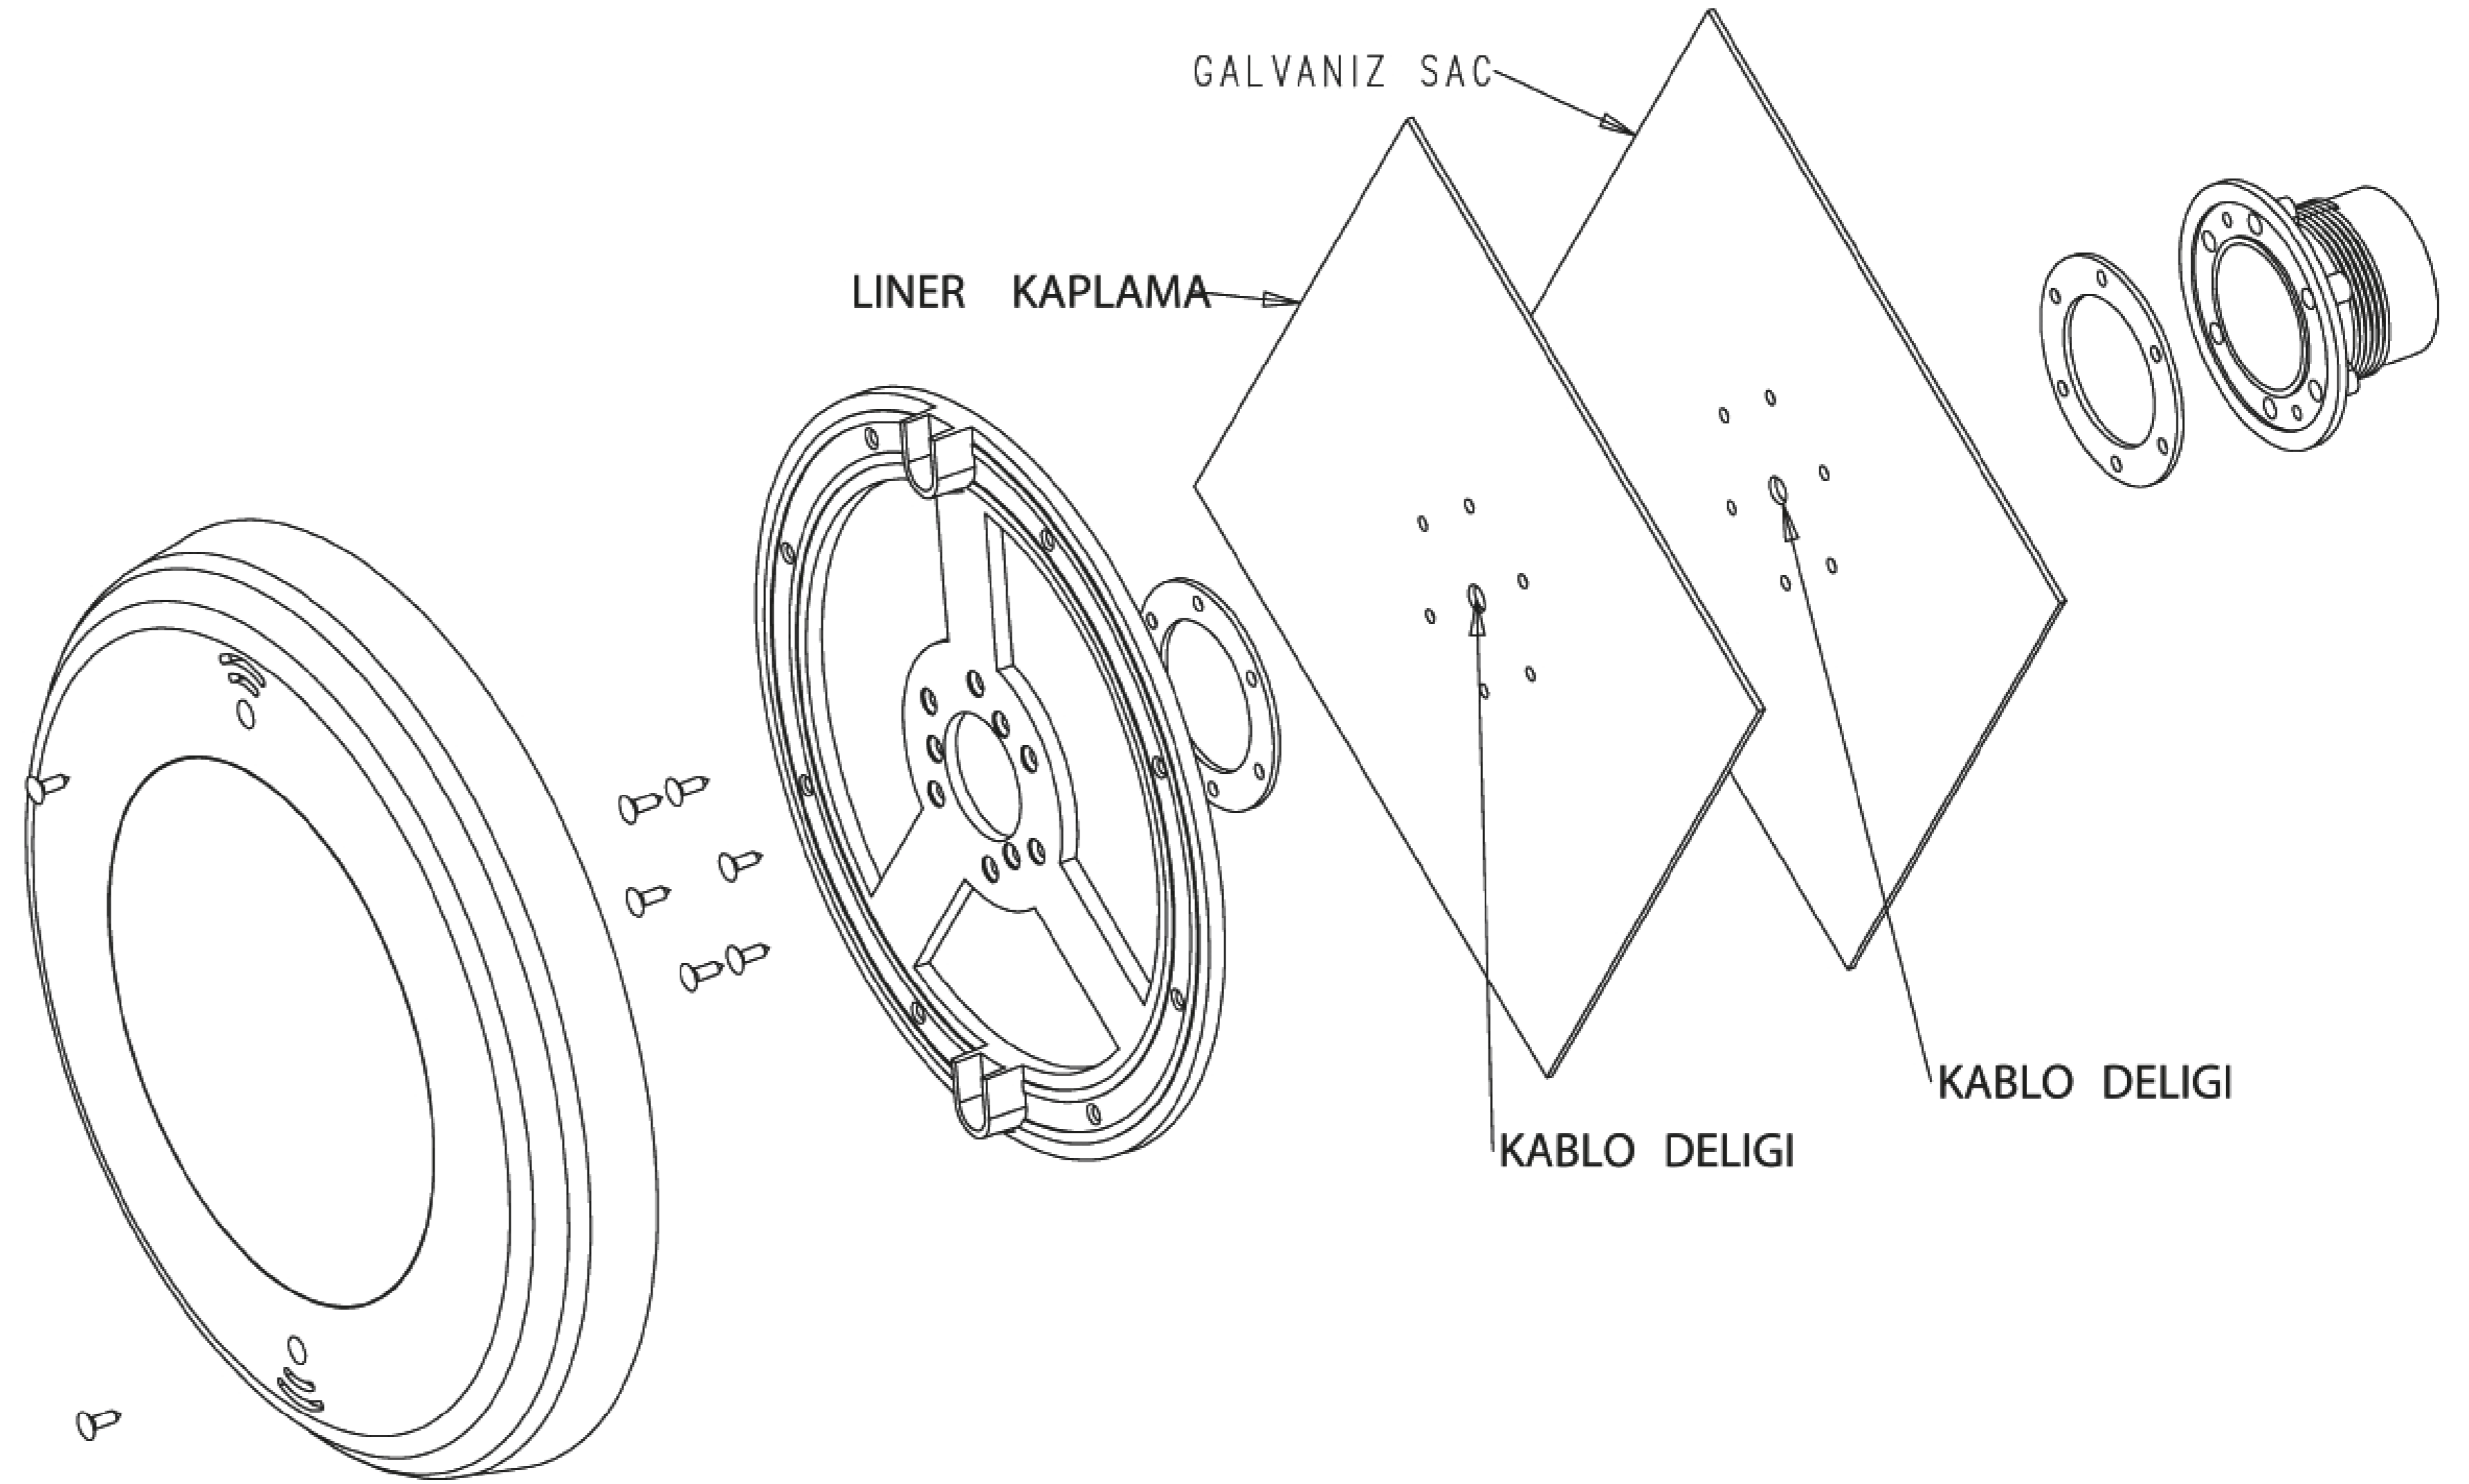

# ALUMINIUM HOUSING UNDERWATER LED LAMP SURFACE MOUNTED

CE IP68  
CLASS III

High lumen  
Low energy consumption  
Die Cast Aluminium housing  
Low heat generation  
Long lifetime

- Order code:
- Connection: 12V AC/DC
- Color: Daylight

## Technical Information Body:

- Plastic and aluminium housing
- Polycarbonate Lens
- Stainless steel screws

### General Specifications

Operating Temperature	-5/+40°C
Electrical Life	100.000 hour
LED Miktarı	84 SMD
CCT/Wavelength	2100 K
Viewing Angle	120°
Connection	Insulated Cable Lug M6
Protection Degree	IP68

## Electrical Information

### General Specifications

Operating Voltage	Ue	12V AC/DC
Watt (Nominal)	Si	30W
Operating Current	Ie	1,8 A
Lumen	Im	3000
